TOOL STORAGE

CHEST (3 STAGES, 3 DRAWERS/2 STAGES, 2 DRAWERS)
PLASTIC HARD TRAY

SKX0223 series
CHEST (3 STAGES, 3 DRAWERS)

SKX0222SBK CHEST (2 STAGES, 2 DRAWERS)

EKP-TR3 PLASTIC HARD TRAY

Excellent workability and functionality. CHEST series & PLASTIC HARD TRAY

KTC's standard chest SKX0213 has been redesigned and is now available in two models. The lineup includes a chest with improved usability and workability, and a sturdy plastic hard tray that is convenient for carrying tools.

CHEST (3 STAGES, 3 DRAWERS) SKX0223

A chest of drawers with stylish design and practicality

It is designed to be easy to use without compromising on storage capacity. The flat design makes the chest's color stand out beautifully, and the embossed KTC logo is integrated into the chest.

CHEST (3 STAGES, 3 DRAWERS)

No.	Weight (kg)	☐

- Compact size with plenty of storage space.
- Flat design with embossed logo.
- The snap lock is located at the top and can be opened and closed smoothly.
- Handle with soft grip to reduce strain on your hands.
- Open and close drawers smoothly with ball bearing slide rails.
- All drawers can be locked by full locking system, with close top lid.
- Can be locked with a padlock (φ5mm or less). (This product does not come with a key.)

Lock the lid with a snap lock

The small body powerful snap lock ensures a secure lock. It can be opened and closed easily with one hand.

Easy soft grip handle

It reduces the strain on your hands when carrying it, and is easy to grip and prevent to slip, even with wearing gloves.

Compact size with plenty of storage space

The top section and three drawers provide excellent storage capacity. Even when many tools are stored inside, the use of ball bearing slide rails allows you to pull out the tools with little effort.

Round shape for a comfortable grip

The drawers are bent down to commit to reducing the risk of cuts and other injuries.

CHEST (2 STAGES, 2 DRAWERS) SKX0222SBK

Model with deep drawers that can store power tools

This model retains the functionality of the SKX0223 chest, but features deep drawers that are ideal for storing power tools and other items.

Deep drawer on the bottom

Depth 100mm

The lower section features a deep drawer that can store power tools, spray cans, etc.
