Pocket

Tray

Clear tray

Six removable pockets and left and right trays provide convenient storage for tools, parts, spray cans, and more. The clear tray is also ideal for temporarily holding small items or wet or dirty objects.

# Plenty of Space for Tools and Parts – All Within Easy Reach While You Sit

Storage compartments positioned on both sides ensure easy access and improved usability during seated work.

## Six removable pockets

Each 100mm-deep pocket holds tools and parts securely. The grid-patterned holes at the bottom allow for easy drainage, making it simple to rinse off dirt or debris.

A seat that makes it easy to work while sitting without getting tired.

## Detachable seat

It can be removed and used separately, making it ideal for working at low heights.

Spray cans can be stored upright.

## 360 degree rotating and locking casters

Smooth movement and stable work are possible.

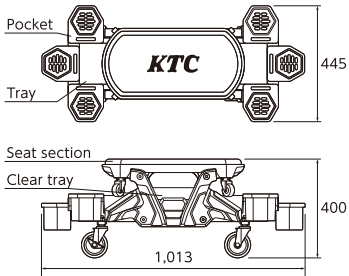

## Clear tray

A removable clear tray is installed under the seat. It is convenient for temporarily placing items while working.

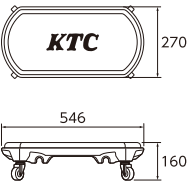

## Convenient double-sided trays

The trays on both sides are removable to prevent tools and parts from being scattered or lost.
