Durable, Impact-Resistant Tray for Easy Tool Transport — New Black color available

In addition to the popular Red, a sleek Black color that hides dirt has been added. Organize everything from long tools to small parts, and keep your storage compact. Perfect for mobile repairs and carrying your tools on the go.

No. EKP-TR3

No. EKP-TR3BK

Stacking is possible up to three levels.

*Photo shows two levels in use

Flip and stack after use for compact storage.

Sturdy handle makes it easy to carry heavy tools

The handle is thicker to provide a more stable grip and prevent your hands from getting hurt when carrying it.

Deep dividers for easy organization

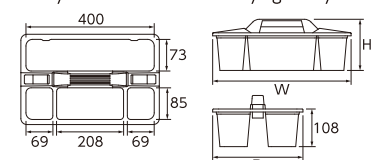

It is easy to store longer tools such as wrenches and spinner handles, and spray cans can be stored upright.

PLASTIC HARD TRAY

No.	Color	Weight(g)	⚖️
EKP-TR3	Red	970	1
EKP-TR3BK	Black	970	1

Product size | W465×D300×H170 Load capacity: 18kg

- A one-piece molded plastic tray that is highly impact resistant and durable.
- Convenient dividers and a deep tray allow you to store spray cans and other items upright.
- Can be stacked up to three levels and can be stacked for storage after use.
- The handle is thick, so your hands are less likely to hurt even when carrying heavy loads.

Allows you to sort and carry tools for maintenance by purpose or task.

There are a total of four storage spaces (1 large, 1 medium, 2 small).
Tools and small items can be organized, stored, and carried around by type or frequency of use.

For storing small items such as brushes and LED lights

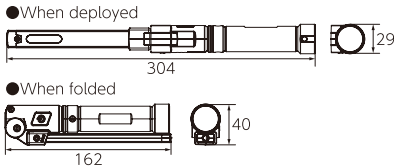

Foldable light with 3 types of LED lights

2.5 hours 800 lm

LED Light Series

RECHARGEABLE LED FOLDING LIGHT
