

# RECHARGEABLE LED HEAD LIGHT / RECHARGEABLE LED FOLDING LIGHT

Head Light  
No. **AL813MA**

Folding Light  
No. **AL815X**

## Light Up Your Work! A Headlamp You Can Detach and Use Anywhere. A Foldable Light That Shines with 1,600 Lumens.

KTC's rechargeable LED light series supports safe work in dark places and at night. It now includes a removable headlight that allows you to work with both hands, and a foldable light that can be adjusted to any angle and illuminates the work area with up to 1,600lm! The brightness improves work efficiency, from car maintenance to equipment inspection and maintenance work.

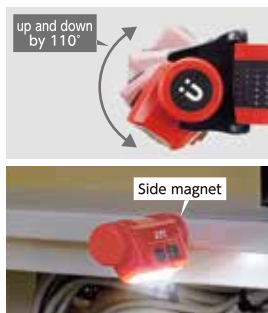

No. AL813MA

No. AL815X

### Hands-Free and Detachable for Flexible use

The inside of the headband has a non-slip surface, which makes it easier to work and prevents the headband from slipping when attached to a helmet or cap.

The light angle can be adjusted up and down by 110°. The main body can be removed and fixed with a magnet.

### Foldable Work Light with Adjustable Head and 1,600lm Brightness

It is fixed with a bottom magnet, and the angle of the light can be freely adjusted to face the work area.

Maximum 1,600lm (main light strong). Illuminates dark and deep places.

Hands-free ON/OFF control via front-facing sensor.

Easily switch between spotlight and floodlight depending on your work needs.

## RECHARGEABLE LED HEAD LIGHT

No.	Maximum brightness (lm)	Continuous use time (h)	Weight (g)	⊞
AL813MA	600<Strong spotlight + strong floodlight>	4.0	130	1

- Equipped with a spotlight that brightly illuminates the targeted area and a floodlight that illuminates a wide area.
- The light unit can be removed and attached to a wall or pillar using the magnet on the side of the unit.
- The inside of the headband has a non-slip surface, making it easy to attach to a helmet or cap and less likely to slip off.
- The light can be adjusted to an angle of 110°.
- Continuous illumination for approximately 18 hours is possible. (Weak spotlight, weak floodlight)
- Lighting patterns: Spotlight, floodlight, spotlight + floodlight
- Dimming level: 5 levels (spotlight strong/weak, floodlight strong/weak, spotlight strong + floodlight strong)
- Charging port: USB Type-C, charging time is about 4 hours
- Dustproof and waterproof/IP65
- Accessories: USB charging cable, holder (spare)
- \*Charger is not included.

CAUTION

- Do not shine the LED light directly into your eyes.
- Do not use with wet hands.
- Do not use underwater or in the rain.
- Do not place near electronic devices or other items or places that are affected by magnetism.
- Cannot be charged with a quick charger. (Recommended charger conditions: 5V 1A)
- Charge using the included charging cable.
