

# RECHARGEABLE LED FOLDING LIGHT

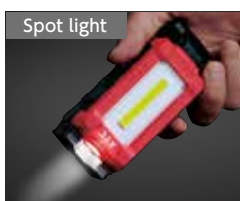

## Compact Foldable Light With 360° Rapid Illumination — Angle It, Stick It, or Hang It Anywhere.

Compact and versatile: adjustable angles, magnetic mount, and hanging hook make it ideal for inspections, servicing, and repair work.

### Fully Adjustable Light Head for Precise Positioning in Any Direction

Light angle can be adjusted up to 210° vertically and 360° horizontally, allowing precise positioning to match your work area.

### Delivers up to 600 Lumens With Two Lighting Modes for Flexible Operation.

Illuminate your workspace with precision: two lighting styles plus magnet and hook for flexible positioning.

### RECHARGEABLE LED FOLDING LIGHT

No.	Maximum Brightness (lm)	Continuous use time (h)	Weight(g)	Size
AL818	600 <Strong main light>	3.0 <Strong main light>	190	20

# Two Adjustable Light Types With a Compact, Foldable Design

Equipped with flexible angle adjustment to illuminate exactly where you need.

Light head is fully adjustable for flexible angle control.

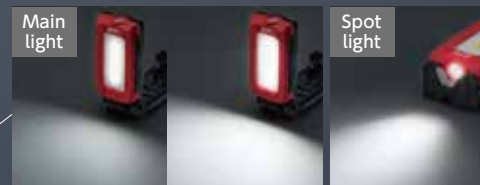

Light head can be freely adjusted—210° vertically and 360° horizontally.

Palm-sized design

Folds down for a compact size—fits easily in your shirt pocket.

Brightly illuminates your workspace with two types of lights.

Main light for wide-area illumination and spotlight for lighting hard-to-reach spaces.

Two convenient built-in magnets

Securely attaches with magnets and allows flexible angle adjustment to illuminate your work area.

Back side

With a hook for hanging use

Can be hung at any angle for targeted lighting—ideal for hands-free work.

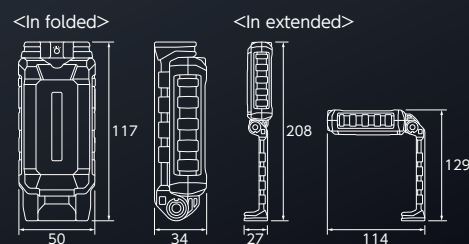

Clear visibility indicator

Indicates battery status during charging and operation.

Foldable design with freely adjustable angles

Stable placement and illumination even on non-magnetic surfaces.

## KTC Rechargeable LED Light Series —Brighten Your Workspace for Maximum Comfort

Reliable brightness enhances safety during maintenance, inspections, and deep-area servicing.
