	Load Capacity	Static: 20 kg In Motion: 10 kg

- Folds compactly for storage and unfolds when needed.
- Durable, wide trays can also be used as a work surface.
- Lightweight design at approximately 6.7 kg for easy transport.
- Dual side handles allow easy maneuvering from either side.

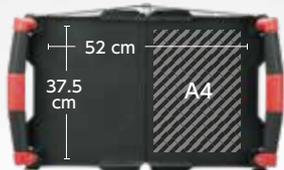

- Four swivel casters with locking mechanism (two locking wheels) provide smooth mobility and stable positioning.
- Equipped with a securing strap to prevent accidental opening when folded.

Spacious Trays Provide Ample Storage and Easy Transport. Folds Down to a Compact Size for Convenient Storage.

Wide and easy-to-use trays

Load Capacity per Tray

20 kg
(Static)
10 kg
(In Motion)

POINT 1

Swivel casters ensure smooth movement, with locking mechanism on two wheels.

POINT 2

Equipped with a securing strap to prevent opening while folded.

POINT 3

Rear folding ring design allows easy folding by simply pulling upward.

Ideal for transport and temporary placement during field service.

Works perfectly as a workstation for laptop use.

Fold It. Load It. Stay Productive Anywhere.

The top tray doubles as a workstation, ideal for laptop use on-site. Perfect for outdoor work, camping, DIY, and wherever you need a mobile workspace.
